Performance Opportunity

INNOVATIVE PERFORMANCE

(Moondance Amphiteatre)
In addition to the skills acquired in their training weeks, the ADVANCED TRACK will participate in a two week rehearsal process for our production.

We are bringing to life the vibrant and creative world of Seuss like never before! Join us as we turn an array of classic characters on their head and modernize them to explore relevant social challenges in our Community through innovative storytelling and our upcycled set design!

COMMUNITY

We are partnering with Live Green Lexington as they facilitate drives to collect materials for our set, as well as educating participants on the importance of reducing, reusing, and recycling. In addition, they will be providing recycling information and collection stations during the performances!

ADVANCED TRACK AUDITIONS
May 1st 4:00-6:00 pm
May 2nd 6:00-8:00 pm
Pam Miller Downtown Arts Center
email activateawp@gmail.com
for more information and an audition time slot.

Auditions will consist of cold reading, a short dance combo, and either a 16-32 bar cut of a musical theatre song OR be prepared to learn a short selection from Seussical.

Video submissions will be accepted.
We will take a limited number of students who are interested in training only. Please inquire.
